PLEASE READ the entire application booklet before you begin to fill out the application. If you are applying **ONLY** for children or if you are a pregnant woman applying alone, you must complete only **Sections A through G and Sections I and J**. Other applicants must complete all sections.

If you are 65 years old or older, certified blind, certified disabled, or institutionalized and applying for coverage of nursing home care, you must **also** complete **Supplement A**. The supplement includes questions about your resources, such as money in the bank or property you own.

SECTION A Applicant’s Information

We need to be able to contact the people applying for health insurance. The home address is where the people applying for health insurance live. The mailing address, if different, is where you want us to send health insurance cards and notices about your case. You can also tell us if you want someone else to get information about your case and/or to be able to discuss your case.

SECTION B Household Information

Please include information for everyone who lives with you even if they are not applying for health insurance. It is important that you list everyone who lives with you so that we can make a correct eligibility decision. Include maiden name (legal name before marriage), if this applies to the person. Also include City, State and Country of birth. If a person was born outside of the United States, just write the country of birth. We also need, for each person applying, his/her mother’s full maiden name (first and last name). This information may be used to obtain proof of the applicant’s birth date under certain circumstances.

- **Is this person pregnant?** If so, when is her baby due to be born? This information helps us determine the size of your family. A pregnant woman counts as two people.
- **Relationship to the person on Line 1.** Explain how each person is related to the person listed on Line 1 (for example, spouse, child, step-child, brother, sister, niece, nephew, etc.)

- **Public Health Coverage.** If you or anyone who lives with you is already enrolled or was previously enrolled in Medicaid, Family Health Plus, Child Health Plus, the Family Planning Benefit Program, or any other form of public assistance such as Food Stamps, we need to know. Also, tell us the identification number on the New York State Benefit Identification Card or plan identification card for Child Health Plus.
- **Social Security Number.** A Social Security Number should be provided for all persons applying, if the person has one. If the person does not have a Social Security Number, leave this box blank.
- **Citizenship and Immigration Status.** This information is needed only for those people applying for health insurance. Pregnant women do not have to complete this question. To be eligible for health insurance, other persons age 19 and over must be U.S. citizens or be in an eligible immigration category. We need to see either original documentation of U.S. citizenship and identity, or certified copies of these documents. Please contact your local department of social services or call 1-800-698-4543 to find out where you can bring these documents. Please note that if you are on Medicare, or receiving Social Security Disability but are not yet eligible for Medicare, it is not necessary to document citizenship or identity.

Effective July 1, 2010, citizen children who provide their Social Security Number are not required to provide identity or citizenship documentation if eligible for Child Health Plus.

Children who are New York State residents and do not have other health insurance are eligible, regardless of their immigration status.

PUBLIC CHARGE INFORMATION

The United States Citizenship and Immigration Services (USCIS) has stated that enrollment in Medicaid, Family Health Plus, Child Health Plus or the Family Planning Benefit Program CANNOT affect a person's ability to get a green card, become a citizen, sponsor a family member, or travel in and out of the country. This is not true if Medicaid pays for long-term care in a place such as a nursing home or psychiatric hospital.

The State will not report any information on this application to the USCIS.

- **Race/Ethnic Group.** This information is optional and it will help us make sure that all people have access to the programs. If you fill out this information, use the code shown on the application that best describes each person's race or ethnic background. You may pick more than one.

SECTION C Household Income (Money Received)

- In this section, list all types of income (money received) and the amounts received by the people you listed in Section B.
- Please tell us how much you make before taxes are taken out.
- If there is no money coming into your home, explain how you are paying for your living expenses, such as food and housing.
- We need to know if you have changed jobs or if you are a student.
- We also need to know if you pay another person or place, such as a day care center, to take care of your children or disabled spouse or parent while you are working or going to school. If you do, we need to know how much you pay. We may be able to deduct some of the amount that you pay for these costs from the amount we count as your income.

SECTION D Health Insurance

It is important to tell us whether anyone applying is covered or could be covered by someone else's health insurance. This information may affect their eligibility for coverage; for some applicants, we can deduct the amount that you pay for health insurance from the amount we count as your income; or we may be able to pay the cost of your health insurance premium if we determine it is cost effective.

Some children who had employer-based health insurance within the past six months may be subject to a waiting period before they can enroll in Child Health Plus. This will

depend on your household income and the reason your children lost employer-based coverage.

NOTE: State Health Benefits Plans provide health insurance coverage through the New York State Health Insurance Program (NYSHIP). Coverage is offered to employees/retirees of NYS government, the State Legislature and the Unified Court System. Some local government agencies and school districts also elect to participate in NYSHIP. If you are not sure, check with your employer. If your child has access to State Health Insurance Benefits through NYSHIP, he/she will be ineligible for Child Health Plus coverage.

We may be able to help pay for health insurance premiums if you have or can get insurance through your job. We will need to gather more information about the insurance and will mail an insurance questionnaire to you.

SECTION E Housing Expenses

Write in your monthly cost of housing. This includes your rent, monthly mortgage payment or other housing payment. If you have a mortgage payment, include property taxes in the amount you tell us. If you share your housing expenses or your rent is subsidized, please only tell us how much YOU pay toward your rent or mortgage. If you pay for your water, tell us how much you pay and how often.

SECTION F Blind, Disabled, Chronically Ill or Nursing Home Care

These questions help us determine which program is best for each applicant, and what services may be needed. A person with a disability, serious illness or high medical bills may be able to get more health services. You may have a disability if your daily activities are limited because of an illness or condition that has lasted or is expected to last for at least 12 months. If you are blind, disabled, chronically ill or need nursing home care, you will need to complete Supplement A. If neither you nor anyone applying is blind, disabled, chronically ill or in a nursing home, go to Section G.

SECTION G Additional Health Questions

If you have paid or unpaid medical bills from the past three months, Medicaid may be able to pay for these costs. Let us know who these bills are for and in which months. Include copies of the medical bills with this application. Note: This three-month period begins when the local department of social services receives your application or when you meet with a Facilitated Enroller. You will need to tell us what your income was for any past months in which you have medical bills so that we can see if you are eligible during that time. We also ask about where you lived in the past three months, because this may affect our ability to pay for past bills. We ask about any pending lawsuits or health issues caused by someone else so we know if someone else should pay for any portion of your medical care costs.

SECTION H Parent or Spouse Not Living in the Household or Deceased

- If any applicants have an absent spouse or parent, you must complete this section so we can see if medical support is available to you or your child.
- Pregnant women do not have to answer these questions until 60 days after the birth of their child. All other people who are applying and are age 21 or over must be willing to provide information about a parent of an applying minor or a spouse living outside the home to be eligible for health insurance, unless there is good cause. An example of “good cause” is fear of physical or emotional harm to you or a family member. Question 2 refers to the **PARENT** of any applying child under age 21. Question 3 refers to the **SPOUSE** of anyone applying.
- If the parents are not willing to provide this information, the applying child may still be eligible for Medicaid or Child Health Plus.

SECTION I Health Plan Selection

What is a Health Plan? Applying for programs through Access NY Health Care may mean you get your health care coverage through a Managed Care plan. When you join a plan, you choose one doctor (Primary Care Provider or PCP) from that plan to take care of your regular needs. If you want to keep the doctor you have, you need to pick the plan that works with your doctor. Managed Care health plans focus on preventive care so small problems do not become big ones. If you need a specialist, your PCP will refer you to one.

Who Must Choose a Health Plan? People who are eligible for Family Health Plus and Child Health Plus **MUST** choose a health plan to get medical care. **MOST** people who are eligible for Medicaid **MUST** choose a health plan to get most of their Medicaid benefits. Keep reading to find out how to get more information on this.

How Do I Know What Health Plan to Choose and If I Can Enroll?

For Medicaid and Family Health Plus, if you want to find out more about how managed care plans work, if you have to join, and how to choose a plan, call **Medicaid CHOICE** at **1-800-505-5678**, or call or visit your local department of social services. Ask for a Managed Care Education Packet. Information about health plans is also on the NYSDOH website at www.nyhealth.gov. You can also enroll by phone, by calling **1-800-505-5678**.

NOTE: If you or a family member are found eligible for Medicaid, and are in a county that does not require people on Medicaid to join a health plan, you will still be enrolled in the health plan you choose if it provides Medicaid, unless you check the box on the application that says you don't want to be enrolled, or tell us you do not want to be enrolled by calling or writing to your local department of social services.

For Child Health Plus:

For information about Child Health Plus plans, call **1-800-698-4543**.

Child Health Plus Premium

There are no premiums for Medicaid, or Family Health Plus. There may be a monthly premium for Child Health Plus. Use the enclosed chart to determine if you need to pay a premium based on your monthly income. You must include the first month's premium with the completed application or your child will not be enrolled.

SECTION J Signature

Please read the paragraph in this section carefully and read the **Terms, Rights and Responsibilities** section. You must then sign and date the application.

■ Health Insurance

Health insurance is available for most uninsured children under age 19, living in New York State under one of two programs: Medicaid or Child Health Plus. Almost all children are eligible, regardless of how much

your family earns or your child's immigration status.

Health insurance is available under Medicaid and Family Health Plus for most people aged 19 to 64, who have limited income and who are citizens or fall within one of many immigration categories. Also, for people who are age 65 or older, certified blind or certified disabled who have limited income and resources and who are citizens or who fall within one of many immigration categories, health insurance is available under Medicaid.

■ What programs am I eligible for?

One application is used to apply for the following programs: Medicaid, Family Health Plus, Child Health Plus, and the Family Planning Benefit Program. Based on the information you give us, we will tell you which program you and/or your children may be eligible for.

■ What services are covered?

Important services such as regular medical check-ups, prescription drugs, hospital care, eye exams, eyeglasses, mental health services, and much more are covered. Medicaid and Family Health Plus have an added guarantee for persons under the age of 21, that provides for all necessary treatment through the Child/Teen Health Program. There are no deductibles or co-payments for children's health insurance.

The chart below shows the amount of income (before taxes) at which you can get free or subsidized health insurance. For children under 19, if your income is more than these amounts, your child can get health insurance for a higher cost.

■ Do I have to pay anything to join?

How much you pay depends on your family income. For most families, health insurance is free. Other families have to pay a small amount.

■ How will I get my medical services?

People eligible for Family Health Plus and Child Health Plus will receive their health care through health plans that have their own groups of doctors and hospitals. Before joining a plan, make sure your doctors are a part of that plan.

Most people eligible for Medicaid MUST also choose a health plan. They will receive their health care through the health plan. In some areas of the state there may not be health plans. In these areas, people may go to any doctor who accepts Medicaid. You should talk to your doctor about what kind of health insurance he/she accepts.

■ What do I have to do to enroll?

It's now easier than ever to apply for health insurance. There are a lot of places in your neighborhood where you can get help. These places have experienced and friendly staff that are available on weekends and evenings to answer all of your questions and help you apply.

It is no longer necessary to have a personal interview to enroll in Medicaid or Family Health Plus. Your completed application can be mailed to or dropped off at your local department of social services. If you are only applying for Child Health Plus, you can mail your completed application directly to a Child Health Plus health plan.

■ What is available for pregnant women?

New York State provides free health insurance under Medicaid for many pregnant women with limited income regardless of their immigration status. Pregnant women who participate in Medicaid can receive a wide range of services designed to ensure a healthy pregnancy, including prenatal visits, health education, and specialty medical care. Services continue until two months after the pregnancy ends. Family planning services are available for up to 24 months after the pregnancy ends. After the baby is born, he or she will automatically receive health insurance for a year.

■ What is the Family Planning Benefit Program?

This program covers health services and related drugs and supplies to maintain good reproductive health. Men and women of childbearing age may be eligible.

SOCIAL SECURITY NUMBER

Child Health Plus: SSNs are not required to enroll in Child Health Plus. If available, I will include it for children applying for Child Health Plus. Medicaid, or Family Health Plus: SSNs are required for all applicants, unless the person is pregnant or a non-qualified alien. SSNs are not required for members of my household who are not applying for benefits. I understand that this is required by Federal Law at 42 U.S.C. 1320b-7 (a) and by Medicaid regulations at 42 CFR 435.910. SSNs are used in many ways, both within department of social services (DSS) and between the DSS and federal, state, and local agencies, both in New York and other jurisdictions. Some uses of SSNs are: to check identity, to identify and verify earned and unearned income, to see if non-custodial parents can get health insurance coverage for applicants, to see if applicants can get medical support, and to see if applicants can get money or other help. SSNs may also be used for identification of the recipient within and between central governmental Medicaid agencies to insure proper services are made available to the recipient. Also, if I apply for other programs in this joint application, those programs will have access to my SSN and could use it in the administration of the program.

FOR MEDICAID APPLICANTS ONLY

- Release of Educational Records
I give permission to the local department of social services and New York State to obtain any information regarding the educational records of my child(ren), herein named, necessary for claiming Medicaid reimbursements for health-related educational services, and to provide the appropriate federal government agency access to this information for the sole purpose of audit.
- Early Intervention Program
If my child is evaluated for or participates in the New York State Early Intervention Program, I give permission to the local department of social services and New York State to share my child's Medicaid eligibility information with my county Early Intervention Program for the purpose of billing Medicaid.
- Reimbursement of Medical Expenses
I understand that I have a right as part of my Medicaid application, or later, to request reimbursement of expenses I paid for covered medical care, services and supplies received during the three month period prior to the month of my application. After the date of my application, reimbursement of covered medical care, services and supplies will only be available if obtained from Medicaid enrolled providers.

FAMILY HEALTH PLUS AND MEDICAID MANAGED CARE

I understand that in order to receive Family Health Plus benefits, I must join a managed care health plan. I also know that in some counties, joining a health plan may be required to receive Medicaid. I have read how to find out whether my county requires Medicaid enrollees to join a health plan, and how to find out what health plans are available to me in Family Health Plus and in Medicaid managed care. I understand that if I am found eligible for Family Health Plus, I will be enrolled in the Family Health Plus plan I have chosen. I/we also understand that if I/we are found eligible for Medicaid instead of Family Health Plus and I/we are in a county that requires Medicaid enrollees to be in a managed care health plan, I/we will be enrolled in the health plan I/we chose unless that health plan does not participate in Medicaid managed care.

TERMS, RIGHTS AND RESPONSIBILITIES

If I/we are in a county that does not require enrollees to be in a Medicaid managed care health plan, I/we will still be enrolled in the health plan I/we chose unless I/we notify my local social services department in writing, or I/we check the box in Section I, that I/we do not want to be in that plan.

I have read how to find out the rights and benefits that I will have as a member of a managed care health plan and the benefit limitations of managed care membership. I understand that in both Family Health Plus and Medicaid managed care, I must choose a Primary Care Provider (PCP) and that I will have a choice from at least three PCPs in my health plan. I understand that once I enroll in a health plan, I will have to use my PCP and other providers in my health plan except in a few special circumstances.

I understand that if a child is born to me while I am a member of a Medicaid managed care health plan, my child will be enrolled in the same health plan that I am in. I understand that if a child is born to me while I am a member of a Family Health Plus plan that also participates in Medicaid managed care, my child will be enrolled in the same health plan that I am in.

• Release of Medical Information

I consent to the release of any medical information about me and any members of my family for whom I can give consent:

- By my PCP, any other health care provider or the New York State Department of Health (NYSDOH) to my health plan and any health care providers involved in caring for me or my family,

as reasonably necessary for my health plan or my providers to carry out treatment, payment, or health care operations. This may include pharmacy and other medical claims information needed to help manage my care;

- By my health plan and any health care providers to NYSDOH and other authorized federal, state, and local agencies for purposes of administration of the Medicaid, Child Health Plus, and Family Health Plus programs; and
- By my health plan to other persons or organizations, as reasonably necessary for my health plan to carry out treatment, payment, or health care operations.

I also agree that the information released for treatment, payment and health care operations may include HIV, mental health or alcohol and substance abuse information about me and members of my family to the extent permitted by law, until I revoke this consent.

If more than one adult in the family is joining a Family Health Plus or Medicaid health plan, the signature of each adult applying is necessary for consent to release information.

• Reimbursement of Medical Expenses

I understand that if I am determined eligible for Family Health Plus my enrollment will be effective no later than 90 days from the date of submission of a completed application. In the event of an error or delay in my enrollment, Medicaid may be able to reimburse me for reasonable medical expenses I pay as a result of the error or delay. Medicaid may pay my provider for any unpaid expenses only if that provider is a Medicaid enrolled provider.
